## Republican Territorial Convention.

In accordance with a resolution passed by the Republican Territorial Central Committee the Republican Territorial Convention will convene in the City of Phoenix, on the first Tuesday in August, 1890, at the hour of 10 o'clock a. m. for the purpose of nominating one person for the office of Delegate to Congress, one person for the office of Delegate to the National Republican Convention, and one person for the office of Delegate to the National Republican Convention.

The Republicans of Arizona confidently expect upon the campaign at hand asking of Congress and the Administration at Washington admission to the Union of States and the full privilege of citizenship to all within the borders of the present Territory, believing that their wealth, numbers, intelligence and rights as citizens of the United States entitle them to such consideration and privilege. All citizens of the Territory who believe in the pure principles of Republicanism and in the complete and full enjoyment of citizenship for every citizen of Arizona are cordially invited to join the party in an earnest attempt to elect delegates to the fall elections which will insure to the people of Arizona all the rights and privileges as citizens to which they are entitled.

WILLIAM CHRISTY,  
Chairman Rep. Cent. Com.

## PLACER MINING.

## WORK OF THE YAVAPAI MINING AND IRRIGATION COMPANY.

Extensive Operations Upon Humboldt River—A Strong Storage Reservoir to be Constructed to Supply the Canal.

M. E. Clanton and M. P. Bowen yesterday closed a contract with the Yavapai Mining and Irrigation Company for the construction of a ditch one and one-half miles in length. The ditch is to be used for the purpose of conveying water from the Humboldt River to the top of the rich gravel banks which the company designs working by hydraulic "giant," in true California style. The canal will be an expensive one to excavate, it being necessary to cut three tunnels on its route all in the solid rock, and to construct fourteen aqueducts. It is designed to carry 2000 inches of water, which will be delivered at the workings under a head of from fifty to 100 feet. The contractors are under bond to complete the job in seventy days, and will at once put over fifty men at work.

More than that number of men will be soon put to work upon the dams which are to store up the waters of the Humboldt and divert them into the ditches of the Company. A side channel of the river is to be obstructed by a crib dam, sixty-nine feet long, which will turn the stream into the main reservoir and serve as a waste way. The dam at the lower end of this reservoir is to be constructed of granite boulders set in cement and will be made absolutely safe. It will be seventy-eight feet in length, thirty feet high and twenty-five feet thick. In the bottom will be two flood gates, each six by four feet in size. Superintendent Keating has, at great expense, already constructed an excellent road through the rock to the dam-site and suggests that it be used as a portion of the proposed road into the Bradshaw. A movement for the construction of this necessary highway is now on foot in Phoenix and within a few months traffic will find no difficulty in reaching Minnehaha Flat, whence to Prescott a natural road now exists.

## POLICE PICKINGS.

Ah Sam and Sam Lee, the Chinese who had the fight in the restaurant Wednesday night, were yesterday fined by the Recorder, \$3 each.

Andy Hamils and Andrew Wall, who had the fracas at Thalheimer's, were also each fined \$3.

Johnson, a negro arrested for vagrancy, was turned loose with an admonition to emigrate.

John Ferger, for discharging a pistol in the city limits, was fined \$3.

The National Letter Carrier's Association are holding their first convention at Boston. General Superintendent of Delivery Rates, of Washington, was the principal speaker.

## MESA MUSINGS.

What is Going On Among Our Neighbors.

Mesa, August 11.—All is very quiet in our town, the late rains have filled our canal so all are quiet on the great water question.

Justices Newell and Turman have registered over 200 voters so far.

Our primaries are to be held in the Bowery. We are not very numerous in numbers but all will be there.

There is a great deal of racket this year here among our friends, the "Un-terrified." They are badly split up over a private caucus held one week ago last Saturday, appointing delegates to the County Convention for this town and Lehi. "Lookout for breakers!"

Wine making is going on quite extensively at present. At least ten teams a

day leave here loaded with fruit for different points in the Territory.

Several horse races; also, one trotting race of a mile are looked for the next ten days.

Mr. Coyle, a candidate for Recorder, was in town on August 8, looking up his fences.

Work began the first of this week on O. M. Stewart's brick store; also, the Co-Op Meat Market, also brick.

Four young men of Mesa, will cast their first vote at the Republican Primaries "And more coming on."

Allow me to "Whisper" to the Democrats at large that Wm. N. Standage, a good, square man, can pull fifty more votes on this side of Salt River than any other man in the Democratic party, for Supervisor.

We are glad to hear of the bright outlook for our party and hope to see a Republican Legislature and Delegate.

Vini.
